

Terms of Service

By accessing and/or utilizing this Open Data Portal, you agree to be bound by the terms of service listed on this page as well as the terms of the license for any individual dataset used.

Data published by the Town of Chapel Hill on this Portal is typically published under the Open Database License (ODbL) v1.0 license ('License'). Datasets published in cooperation with other entities may be licensed differently. Please refer to the description for license located as a link in the description/metadata for that dataset.

This open data portal facilitates the public inspection of certain public records. As a courtesy to, and for the benefit of, the public, the Town of Chapel Hill requests that those utilizing the information provided in this open data portal attribute that content to the Town of Chapel Hill, North Carolina.

Privacy Notice

Pursuant to North Carolina General Statute [NCGS 132-1 et.seq](#) documents, papers, letters, maps, books, photographs, films, sound recordings, magnetic or other tapes, electronic data-processing records, artifacts, or other documentary material made or received by the Town in the transaction of public business are public records which, for the most part, are open to public inspection and copying.

The Town's Web Site and the Open Data Portal may collect information, including email addresses, of users. Most, if not all, this information is a public record, as are the email addresses of those who subscribe to the web site's electronic mailing lists and the user profile data routinely collected by the Town from visitors to the Web Site and Open Data portal.

Visitor information routinely captured includes the:

- Internet domain, IP address, state and/or country from which visitors reach the site;
- Date and time
- Pages visited.

The Town of Chapel Hill uses this information to improve the web site and Open Data portal for our visitors. While this information is a public record, the Town does not sell or otherwise profit from any public records or information obtained from or on the Web Site or Open Data Portal.
